## Assignment #1

Q1: Why do we need Islam as "last Religion"?

→ The divine message of the messengers of GOD is called 'Religion'. The term literally means obedience and following the path and command of GOD. Religion is the collection of divine laws which designs a system of life, the following of which brings man closer to GOD and prosperous life both here and in the hereafter.

The religion that GOD has prescribe to mankind is 'ISLAM'. It is only this religion that has the capacity to cover all the (recognized religion in the sight of GOD is) needs of man, and encompasses the above purpose. Therefore, the only

recognized religion in the sight of  
GOD is Islam.

Quran says:

"Truly the religion with  
Allah is Islam". (3:19)

Islam is a universal faith for all  
times, all places, and all peoples. It is  
predicated on the belief that there is  
but one GOD, Allah.

As the prophet were send to the  
mankind and they were given no  
other religion but Islam and as  
being a Muslim it is ~~us~~ our  
believe that Muhammad (PBUH) is  
the last messenger/prophet send  
by Allah and as it is told  
in Quran that Muhammad (PBUH) is  
the last prophet, there will be  
no prophet after Him (PBUH)  
which definitely means that there  
will ~~be~~ be no ~~a~~ new preacher  
who will preach us new religion.  
Henceforth we completely believe  
and accept Islam as our last  
religion.

Quran says:

"This day, I have perfected  
your Religion for you, completed My  
Favour on you, and have  
chosen for you Islam as your  
Religion." (5:3).
